ABOUT FINANCIAL ARRANGEMENTS AND DENTAL INSURANCE

We are committed to providing you with the best possible care. If you have dental insurance, we are anxious to help you receive your maximum allowable benefits. In order to achieve these goals, we need your assistance and your understanding of our payment policy.

Payment for services is due at the time services are rendered unless payment arrangements have been approved in advance by my staff. We accept cash, checks, MasterCard, or Visa. We will be happy to submit your insurance claim-form for reimbursement.

Returned checks and balances older than 30 days are subject to additional collection fees and interest charges. Charges are also made for broken appointments, no show of appointment, or cancellation of appointment without 24 hours advanced notice. We will gladly discuss your proposed treatment/finances and answer any questions relating to your insurance.

You must realize, however, that:

1. Your insurance is a contract between you, your employer and the insurance company. We are not a party to that contract.
2. Our fees are generally considered to fall within the acceptable range by most companies, and therefore are covered up to the maximum allowance determined by each carrier. This applies only to companies that pay a percentage (50% or 80%) of "U.C.R.", "U.C.R." is defined as usual, customary, and reasonable.
3. Not all services are a covered benefit in all contracts. Some insurance companies arbitrarily select certain services they will not cover.

We must emphasize that, as dental care providers, our relationship is with you, not your insurance company. The filing of insurance claims is a courtesy that we extend to you, all charges are your responsibility from the date the services are rendered.

If you have any questions about the above information or any uncertainty regarding your insurance coverage, PLEASE don't hesitate to ask us. We are here to assist you.
